The foregoing provisions of this Article IV shall be construed both as purposes and powers and each as an independent purpose and power. The foregoing enumeration of specific purposes and powers herein specified shall, except when otherwise provided in this Article IV, be in no wise limited or restricted by reference to, or inference from the terms of any provision of this or any other Article of these Restated Articles of Incorporation.

V.

The total number of shares of capital stock which the Corporation shall have authority to issue is 55,000,000 shares, consisting of 50,000,000 shares of common stock of \$0.10 par value per share ("Common Stock") and 5,000,000 shares of preferred stock of \$1.00 par value per share ("Preferred Stock").

The Corporation may purchase its own shares of capital stock out of unreserved and unrestricted earned surplus and capital surplus available therefor and as otherwise provided by law.

The voting powers, designations, preferences and relative rights of the classes of stock of the Corporation which are fixed by this Article V and the authority expressly vested in the Board of Directors to fix, by resolution or resolutions providing for the issue of Preferred Stock, the voting powers (if any), designations, preferences and relative rights of the shares of Preferred Stock which are not fixed by this Article V, are as follows:

(1) Subject to the provisions of any applicable law, or of the By-Laws of the Corporation as from time to time amended, with respect to the fixing of a record date for the determination of shareholders entitled to vote and except as otherwise provided by any applicable law or by the resolution or resolutions of the Board of Directors providing for the issue of any series of Preferred Stock, the holders of outstanding shares of Common Stock shall have and possess exclusive voting power and rights for the election of directors and for all other purposes, with each holder of record of shares of Common Stock being entitled to one vote for each share of Common Stock standing in his name in the books of the Corporation in the election of directors and on all other matters presented to the shareholders.

(2) Except as otherwise provided by applicable law, or by the resolution or resolutions of the Board of Directors providing for the issue of any series of Preferred Stock, the holders of shares of Preferred Stock, as such holders, shall not have any right to vote, and are hereby specifically excluded from the right to vote, in the election of directors or for any other purpose, and shall not be entitled to notice of any meeting of shareholders.

(3) Before any sum or sums shall be set aside or applied to the purchase of any outstanding shares of Common Stock, and before any dividend shall be declared or paid or any distribution ordered or made upon the Common Stock (other than a dividend payable in shares of Common Stock), the Corporation shall have complied with the dividend and sinking fund requirements (if any) set forth in any resolution or resolutions of the Board of Directors with respect to the issue of any series of Preferred Stock of which any shares shall at the time be outstanding.

(4) Subject to the provisions of Paragraph 3 of this Article V, and to such other limitations as may be specified in any resolution or resolutions of the Board of Directors providing for the issue of any series of Preferred Stock, the holders of outstanding shares of Common Stock shall be entitled, to the exclusion of the holders of shares of Preferred Stock of any and all series, to receive such dividends as may be declared by the Board of Directors from time to time.

(5) In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment shall have been made to the holders of shares of Preferred Stock of the full amount to which any series of the Preferred Stock is entitled as set forth in the resolution or resolutions of the Board of Directors providing for the issue thereof, the holders of outstanding shares of Common Stock shall be entitled, to the exclusion of the holders of shares of Preferred Stock of any and all series, to share in all remaining assets of the Corporation available for distribution to its shareholders ratably according to the number of shares of Common Stock held by them. Neither the merger nor consolidation of the Corporation with or into any other corporation or corporations, nor the merger or consolidation of any other corporation or corporations into or with the Corporation, nor the sale, transfer, mortgage, pledge or lease by the Corporation of all or any part of its assets shall be deemed to be a liquidation, dissolution or winding up of the Corporation.

(6) The Preferred Stock may be issued from time to time in one or more series of any number of shares, except that the aggregate number of shares issued and not cancelled of any one series shall not exceed the total number of shares of Preferred Stock hereinabove authorized. Each series of Preferred Stock shall be distinctively designated by number, letter or descriptive words.

(7) Authority is hereby expressly granted to and vested in the Board of Directors to issue the Preferred Stock at any time, or from time to time, as Preferred Stock of any one or more series, and, in connection with the establishment of each such series, to fix by resolution or resolutions providing for the issue of the shares thereof the voting powers, if any, and the designation, preferences and relative rights of each such series of Preferred Stock to the full extent now or hereafter permitted by these Restated Articles of Incorporation and the laws of the State of Georgia, including, without limiting the generality of the foregoing, all of the following matters which may vary between each series:

(a) The distinctive designation of such series and the number of shares which constitute such series, which number may be increased or decreased either before or subsequent to the issuance of any shares of such series (but not below the number of shares of such series then outstanding) from time to time by action of the Board of Directors;

(b) The dividend rate of such series, the dates of payment thereof, and any limitations, restrictions or conditions on the payment of dividends, including whether dividends shall be cumulative and, if so, from which date or dates, and the relative rights of priority, if any, of payment of dividends on the shares of each series;

(c) The price or prices at which, and the terms, times and conditions on which, the shares of such series may be redeemed at the option of the Corporation or at the option of the holder of such shares;

(d) The amount or amounts payable upon the shares of such series in the event of voluntary or involuntary liquidation, dissolution or winding up of the Corporation, and the relative rights of priority, if any, of payment to the holders of shares of each series;

(e) Whether or not the shares of such series shall be entitled to the benefit of a purchase, retirement or sinking fund to be applied to the redemption or purchase of such series, and if so entitled, the amount of such fund and the manner of its application, including the price or prices at which the shares of such series may be redeemed or purchased through the application of such funds;

(f) Whether or not the shares of such series shall be convertible into, or exchangeable for, shares of any

other class or classes of stock of the Corporation, or the shares of any other series of Preferred Stock, and, if made so convertible or exchangeable, the conversion price or prices, or the rate or rates of exchange, and the adjustments thereof, if any, at which such conversion or exchange may be made, and any other terms and conditions of such conversion or exchange;

(g) Whether or not the shares of such series shall have any voting rights, and, if voting rights are so granted, the extent of such voting rights and the terms and conditions under which such voting rights may be exercised;

(h) Whether or not the issue of any additional shares of such series or of any future series in addition to such series shall be subject to restrictions in addition to the restrictions, if any, on the issue of additional shares imposed in the resolution or resolutions fixing the terms of any outstanding series of Preferred Stock theretofore issued pursuant to this Paragraph 7, and, if subject to additional restrictions, the extent of such additional restrictions; and

(i) Whether or not the shares of such series shall be entitled to the benefit of limitations restricting the purchase of, the payment of dividends on, or the making of other distributions in respect of stock of any class of the Corporation, and the terms of any such restrictions; provided, however, that such restrictions shall not include any prohibition on the payment of dividends or with respect to distributions in the event of voluntary or involuntary liquidation established for any outstanding series of Preferred Stock theretofore issued.

The Board of Directors may from time to time distribute to shareholders out of capital surplus of the Corporation a portion of its assets, in cash or in property.

VI.

None of the holders of any capital stock of the Corporation of any kind, class or series now or hereafter authorized shall have preemptive rights with respect to a share of capital stock of the Corporation of any kind, class or series now or hereafter authorized.

VII.

Except as otherwise from time to time required by law, no director of the Corporation shall be liable to the

Corporation or its shareholders or any other person for breach of any duty as a director, whether as a fiduciary or otherwise.

IN WITNESS WHEREOF, the Corporation has caused these Restated Articles of Incorporation to be executed and its corporate seal to be affixed hereto by its duly authorized officers this 30th day of July 1987.
