DiamondRock Hospitality Company

(Adopted by the Board of Directors at a meeting held on September 22, 2004)

I. General Statement of Purpose

The purposes of the Audit Committee of the Board of Directors (the “Audit Committee”) of DiamondRock Hospitality Company (the “Company”) are to:

- assist the Board of Directors (the “Board”) in its oversight of (1) the Company’s accounting and financial reporting processes, (2) the integrity and audits of the Company’s financial statements, (3) the Company’s compliance with legal and regulatory requirements, (4) the qualifications, independence and performance of the Company’s independent auditors, and (5) the performance of the Company’s internal audit function; and
- once the Company registers its securities with the Securities and Exchange Commission (the “SEC) in accordance with the Securities Exchange Act of 1934, as amended (the “Exchange Act”), prepare the report required by the rules of the SEC to be included in the Company’s annual proxy statement.
- Help ensure that the Company’s internal control systems and reporting processes complies with the requirements of the Sarbanes-Oxley Act, and all relevant rules and regulations promulgated by either the New York Stock Exchange or the SEC

II. Composition

The Audit Committee shall consist of at least three (3) members of the Board, each of whom shall satisfy the independence requirements established by the New York Stock Exchange Listed Company Manual for listing on the exchange (regardless of whether the Company’s shares are then actually listed on the New York Stock Exchange). Each member of the Audit Committee shall be financially literate (or shall become financially literate within a reasonable period of time after his or her appointment to the Audit Committee), as such qualification is interpreted by the Board in its business judgment. One or more members of the Audit Committee shall qualify as an “audit committee financial expert” under the rules promulgated by the SEC. At least one member of the Audit Committee shall have accounting or related financial management expertise, as such qualification is interpreted by the Board in its business judgment.

The members of the Audit Committee shall be appointed annually by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically and without any further action constitute resignation or removal, as applicable, from the Audit Committee. Any vacancy on the Audit Committee, occurring for whatever reason, may be filled only by the Board. The Board shall designate one member of the Audit Committee to be Chairman of the committee.

No member of the Audit Committee may simultaneously serve on the audit committee of more than three (3) issuers having securities registered under Section 12 of the Exchange Act, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Audit Committee.

III. Compensation

A member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the Board or any other committee established by the Board, receive directly or indirectly any consulting, advisory or other compensatory fee from the Company. A member of the Audit Committee may receive additional directors' fees to compensate such member for the significant time and effort expended by such member to fulfill his or her duties as an Audit Committee member.

IV. Meetings

The Audit Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this Charter, but not less frequently than quarterly. Such meetings shall be in person or by conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. A majority of the members of the Audit Committee shall constitute a quorum for purposes of holding a meeting and the Audit Committee may act by a vote of a majority of the members present at such meeting. In lieu of a meeting, the Audit Committee may act by unanimous written consent. The Chairman of the Audit Committee, in consultation with the other committee members, may determine the frequency and length of the committee meetings and may set meeting agendas consistent with this Charter.

The Audit Committee shall also meet separately four (4) times a year with management, with personnel responsible for the internal audit function and with the independent auditors.

- The Audit Committee shall pre-approve all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwritings), internal control related services and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to the Company by the independent auditor; provided, however, the pre-approval requirement is waived with respect to the provision of non-audit services for the Company if the “de minimus” provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.

In this regard, the Audit Committee shall also (1) seek the opinion of management and the internal auditors of the independent auditors’ performance and (2) consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm.

- The Audit Committee shall set clear policies with respect to the potential hiring of current or former employees of the independent auditor.
